Mini Gingerbread House Decorating Party

November 2nd, Saturday | 10:00 a.m. - 5:00 p.m. |

[Artworks, Edmonds](#) | [Sign-up Today!](#)

Hi Polymer Clayers,

This is a quick reminder for our annual Mini Gingerbread House Decorating Party. It's on November 2nd (Saturday) from 10:00 a.m. - 5:00 p.m. at [Artworks, Edmonds](#). This event is open to both members and guests alike. Children are welcome but please remember that they must be accompanied by their adult. We handle sharp objects, an oven and usually hot stuff from the oven, so this event is not recommended for very young children. Let us know you're coming by signing-up on our [Google Doc Sign-up Sheet \(thank you!\)](#).

To decorate the gingerbread houses, we make 1/4 scale polymer clay candies ahead of time and bring them to share. You can also use the polymer clay candies to decorate ornaments. For inspiration, please check the photos of what we made in previous years below. Here is also a few links from other polymer clay artists:

- [Sugar Charm Shop's Gingerbread House](#)
- [Sweet Mini Doll House's Gingerbread House](#)
- [Sugar Charm Shop's Miniature Candies](#)
- [Akameru Kawaii's Christmas Sweets](#)

At the event, you will be given a gingerbread house kit (the house elements and white sticky liquid clay to act as glue). It's the standard gingerbread house we've been using for years featured in the photo above.

If you want to take on more architecturally-challenging projects, you can try one of Maria Brown's designs. Maria has done the hard work of creating the template for us. [You can download the PDF file on her website and bake it before the event.](#)

We always have a blast at this all-day event and it keeps growing every year. And of course, we will also have a wonderful selection of potluck food to munch on! We have a microwave and fridge at Artworks too, if you need it.

Be sure to sign-up and show-up. See you soon!
