## June

By Kim Day | [polymerclay@gmail.com](mailto:polymerclay@gmail.com)

The first Sunday of the month many of us will be at Clay Camp. In place of the monthly online meeting, we'll have a Clay Social on June 9th. This won't be a big change since we have Clay Socials every non-meeting Sunday, but this will be the one to attend to show off what you made at Camp, things you learned, products you tried.

# June All Day Clay Day

By Kim Day | [polymerclay@gmail.com](mailto:polymerclay@gmail.com)

Somehow we got distracted and missed the All Day Clay Day in April. June's All Day Clay Day will be on Zoom so that remote people can attend. It will be 10:00 a.m. - 5:00 p.m., June 23rd, and as always you can stay for as much or as little of it as you would like.

## Clay Social Recap

By Kim Day

May's program was a Clay Social, with the optional project topic being making your own clay name tag. At Clay Camp, we will offer campers a self adhesive magnetic pin back to put on their clay name tag. There will also be sticker

### Clay Camp Countdown

By Kim Day | [polymerclay@gmail.com](mailto:polymerclay@gmail.com)

I'll be super brief here, since Maria already sent all the campers an email with everything they need to know.

All 30 spots are full! There is set-up on Thursday 6:00 p.m. if anyone is willing to help, plus they can set up their own clay area after all set up is finished. There is a schedule of the demos on the website with pictures. We will also post the entire schedule at Artworks.

## Highlight's on You!

By Maria Brown

I will be adding a page on our Guild website that highlights our members' individual webworks. Whether you sell products or just like to post your creations for others to see, send your URLs, Instagram handles, etc. to me at [tech@nwpcg.org](mailto:tech@nwpcg.org)!

## Daily Claying

By Kim Day | [polymerclay@gmail.com](mailto:polymerclay@gmail.com)

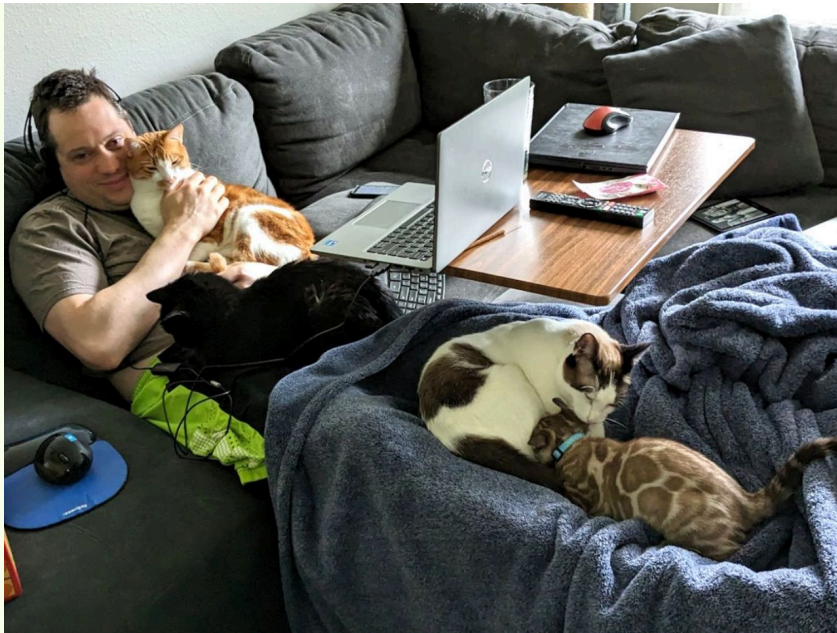

Gorgeous weather has already visited us a few times this year, with plenty more to come. We had the rare treat of some solar storms giving us the chance to see the Northern Lights. They looked much better through a camera lens than in person!

Our household has once again grown, and our count is up to five pets now with the addition of a sweet little Bengal kitten. So there are four cats (three are Tab's) and one Australian Shepherd puppy (which is Tayla's).

Jon got his wish of all four cats snuggling from his work from home "office." The rest of us got our wishes when the new kitten Percy became best friends with Kenai, the white cat.

I changed my mind about what I was making for swaps quite a few times, but I have one group I'm happy with, and I have plans to squeeze in another before Camp.

The 100 day project for myself and Cathy is wrapping up within a few days, and then Cathy will have over 100 skinner blends to play with at Camp.

I look forward to seeing everyone! It'll be a hoot and a holler.

Love,

*Kim*
