

CLAY CAMP 2026 ITINERARY

THURSDAY, 6-8PM

SET UP AT ARTWORKS: We need volunteers to set up worktables, place electrical cords and power strips, etc. If you're able-bodied and willing to help with these things, thank you! Many hands make light work. You may bring your camp supplies to set up on Thursday *but please don't bring anything into the building until we're finished setting up.* If there are a few people able to come by Kim's house at 5:30pm to help transport clay ovens and cords that would be a huge help, let Kim know.

FRIDAY, MAY 15TH

8:00AM Doors open and Clay Camp 2026 officially begins!

SIGN IN AND GET YOUR GOODIES. There will be a sign in sheet near the door when you get to Clay Camp. The guild is giving out **sample packs of the new Van Aken Firm clay** to try out this year. FYI

Campers are on their own for meals at Clay Camp except the Saturday Lunch Potluck. There are several cafes, coffee shops, and restaurants within a 3-block radius. There is also a fridge, oven and stovetop, hot water, dishes and microwave for our use. The coffee pods at ArtWorks have a suggested donation if we use them. Please, no music or video playing without headphones or earpods. If you would like to sell items you've made

If you need help unloading heavy things, drive up near the Art Works door and yell out for help and your polymer peeps will happily assist you!
